DETAILED ACTION

1. Claims 1-6 and 10-13 are cancelled.

Allowable Subject Matter

2. Claims 7-9, 14, and 15 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The primary reason for the indication of the allowability of claims 7-9 is the inclusion therein, in combination as currently claimed, of the limitation of the socket having within a compression member, for squeezing the ball as the ball is inserted into the socket, which ball thereafter snaps open, locating the gap at the compression member. This limitation is found in claim 7-9 and is neither disclosed nor taught by the prior art of record, alone or in combination.

The primary reason for the indication of the allowability of claims 14 and 15 is the inclusion therein, in combination as currently claimed, of the limitation of on the header a bullnose clear cover has a front cover portion, the front cover portion mates to a back cover, back cover snaps behind the front cover; two cover pins protrude from the ends of the back cover, the cover pins snap into two frame holes on a frame of the header, said covers then define a location into which header information on card stock can then be slipped between the front cover and the back cover. This limitation is found in claims 14 and 15 and is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
